Construction Update

This week, the contractor has been busy preparing the project area for construction. Work included:

- Additional traffic control material delivered to the site.
- Silt fence and inlet protection installation along Schuett Street, Souwanas Trail, and Oceola Drive.
- Equipment and material mobilization onsite for the watermain installation along Schuett Street.

Over the next two weeks, the contractor will begin installation of the watermain along Schuett Street, beginning at the Hubbard Street intersection and working south/east through the project limits. Nicor will also be on site to transfer gas services along Souwanas Trail. Please note that crews will not be onsite July 3rd and 4th for the holiday. The project team wishes everyone a safe holiday and asks that residents drive carefully through the construction area.
